195,000€

Charming semi-detached country house located in the peaceful countryside of Taberno (Almería), offering lovely views and plenty of outdoor space. The property is fully habitable and sold furnished, with electricity and water connected, and sits on a plot of approximately 50,000 m² planted with olive and almond trees.

The house is distributed over two floors, each with independent access.

On the ground floor, there is a spacious living room with a log-burning fireplace, an open-plan fitted kitchen, a bathroom with shower, and two bedrooms.

The upper floor, with its own private entrance, features another living room with log-burning fireplace, an open kitchen, a bathroom with shower, and two bedrooms — ideal for guest accommodation or as a rental unit.

The property also includes a large 50 m² garage, perfect for storage, a workshop, or parking several vehicles.

The land features olive and almond trees, as well as a water deposit for irrigation.

In addition, there is the option to purchase the adjoining semi-detached cortijo, which offers great potential for renovation. This second property has a built area of approximately 180 m² on 30,000 m² of land, and is set over two floors.
